

SNAP FIT & EAR CLAMPS

Ezyklik®-M Low Profile Automotive Hose Clip

The Ezyklik®-M (Metal) type hose clamp offers exceptional strength and is used extensively in the automotive and general industry. It is quick and easy, to assemble and disassemble; has a low profile design and is manufactured from corrosion resistant Stainless Steel. The Ezyklik®-M offers an alternative to the Clic hose clamp often used in these applications. The Ezyklik®-M hose clip is often used in automotive applications.

Applications

- Automotive
- White Goods
- Hydro Massage
- General Industry

Materials – see section 7.2

- **W4** 304 SS
